NEEDS ASSESSMENT

Where ever we live our needs for living a happy and sustaining life are the same... And we know each individual and family is unique. No one knows better than yourselves about what these necessities are. That's why our initial aim will be to assess your needs and requirements in order to present you with information, options and choices, which simply match them.

HOUSING CONSULTANCY

Only you know that type of area and house you would be happy with... Once we understand exactly what you are looking for, we will provide you with the choices that match your needs and guide you until you feel completely content. And even more, we will be next to you every step of the way from city orientation tours to house visits.

SCHOOLING CONSULTANCY

We know how important it is for you to select the best schools and to find the right education for your children, as well as integrating them into an environment where they will be happy. Together, we will select those schools which can fit your children's needs and visit each of them to find that right one!

WORK & RESIDENCE PERMIT

We are aware that life does not begin without the required work and residence permits. Therefore, together with you, we will gather the necessary paperwork and submit to the authorities so that all the steps are handled before you start your life in Turkey.

WELCOME SERVICES

From the moment you arrive in Turkey, we want to ensure that you receive a warm welcome to this new environment and culture. That's why we have prepared a Cultural and Daily Life Orientation training and an extensive Welcome Package which we will go through with you during your first days. You will receive all kinds of introduction to cultural aspects, as well as crucial details regarding your daily life in Turkey. What better way to integrate to a brand new life!

SETTLING IN SERVICES

As you move into your new home, the details regarding utilities should be the last thing you worry about. And, it is simply difficult to find your way around in a new country. Therefore, Go!Native will identify all your needs regarding electricity, gas, water, telephone, and internet, and take care of them on your behalf. Settling IN has never been so easy!

MOVING OUT SERVICES

When the time comes for your departure, we will still be by your side to assist you with your moving-out process. We will provide you with check lists, handle the disconnection of all your utilities, as well as arrange the termination of your contracts with your social clubs and other services. In other words, we will be right next to you until the very end.
